Dear Martin:

I wanted to take this opportunity to thank you, on behalf of our company, for the outstanding service you provided us. To be honest, I was simply astounded at how extremely sizable our refund was, monies we would never have been able to recoup without your knowledge and expertise.

Moreover, your courtesy and professionalism were prevalent throughout the entire process, from the initial phone call until we received our check. I would very highly recommend you to any company that can utilize your remarkable services.

Sincerely,

William C. Porter Sr.
