Attn: Mr. Martin Silver

Dear Martin:

Please accept our sincere thanks and appreciation for contacting our company.

Your persistence paid off as we received a refund of over \$50,000 from the State Insurance Fund. I had no idea that such substantial premium refunds could be achieved with such little effort on our part. You are obviously an expert in what you do and in tune with the nuances in the policy.

Thank you again for your unbelievable work!

Sincerely,

  
John Caselino  
President
