Dear Martin,

I just wanted to take the opportunity to thank you & your firm for reaching out to me. I can honestly say that the work you did on my behalf exceeded my wildest expectations. Whatever you were going to recover was certainly more than I had before. However I was very pleasantly surprised (to say the least) with the amount that came back to me. IT WAS CLOSE TO 2 YEARS WORTH OF PREMIUM.

You, as well as your staff were a pleasure to deal with. Feel free to have anyone contact me. I will be more than happy to give them a glowing review.

Sincerely,

Anthony J. Brunsing
