Attn: Mr. Martin Silver*

*Dear Martin,*

*Thank you so very much for reaching out to me. Your company was able to recover money for us that we never even knew existed. I have to say it was a smooth and easy process. By just signing a few documents you assisted us in having these monies returned. This really did not entail much work on our part.*

*I recommend this service to all businesses who can gain from this.*

*Sincerely yours,  
Essential Electric Corp.*
