Dear Martin,

Thank you so much for doing a job well done! You were able to facilitate a refund for our company by minimal effort on our part. Our Experience Modification was reduced bringing about a large savings. By you getting involved money was returned to us that we never even knew existed. I am really glad that you reached out to me allowing me the opportunity to recover these lost monies.

I truly recommend this service to any firm who can use it.

Sincerely,

Howard LeBow
President
