Dear Martin,

I just wanted to take a moment to thank you and your staff on a job well done. You helped us get a significant refund of over \$70,000 back from the State Insurance Fund. This refund would have fallen through the cracks if not for your involvement.

The way your firm handled the matter, was in my opinion extremely professional. You are obviously experts is what you do. You have a keen understanding to workers compensation class codes and the like. I can't be more grateful for getting in touch with your firm.

I am very pleased with your company and would gladly recommend your services.

Sincerely,
