Dear Martin,

I would like to take this opportunity to thank you and your staff. I was truly impressed that you were able to secure a refund for our company with little effort and work on our behalf. All we needed to do was sign 3 documents and your office did all of the work.

We were please to find out that just a few short weeks later our NY State Experience Modification factor was reduced by a significant amount and a larger discount was applied to our policy.

I would gladly recommend your service to any company who can benefit.

Sincerely,

Laura Park  
Office Manager
