Re: workers comp refund

Dear Mr. Silver,

I would like to take this opportunity to thank you and your staff for a job well done with your workers compensation recovery service.

When we initially spoke, I really did not think there was much you can do for us as we are on top of things **AND** we belong to a 'safety group'. However, being that it did not involve time or any other resources on our part I decided to give it a try.

Suffice it to say that I was very pleasantly surprised when shortly after signing the necessary documents, we received a check from the State Fund for over **\$70,000**.

You are obviously experts in what you do and are in tune with the nuances in the policy that others are not. Please feel free to use us as a reference.

Thank you again for your unbelievable work,

Carolyn Fulton
General Manager
