Dear Martin,

I just wanted to take a moment to say thank you to you and your staff on a job well done. My broker actually recommended that I call you. He had a very positive experience with your company on some of his accounts. I am extremely happy that I took his advice. The process was simple. It did not require anything more than 3 documents signed on my behalf. The work was done by your office. The results were incredible! We received \$34,355.00 in overpaid premiums, monies that would have never come back to us otherwise.

I would be delighted to recommend your services.

Best Regards,
