Attn: Mr. Martin Silver

Dear Martin,

Please accept our sincere thanks and appreciation for a job well done. Through your persistence and hard work you secured a refund on our policies that totaled over \$150,000!

The Workers Compensation manual rules are extremely complex. It is through your expertise and extensive knowledge in the rules, that we were able to recoup monies that was rightfully ours. As promised, your highly professional staff did most of the work and we reaped the benefits.

This is a service that every business should sign up for. I would highly recommend your services.

Sincerely,

Carlos Montalvo
