It was my pleasure to work with you on reducing my experience mod from .99 to .94. To most people that may not seem like a big deal but it did save us over \$15,000. We signed a few forms and off you went. Within 2 weeks New York State Insurance Fund had issued the credit.

It was seamless and obviously worth it. It seemed too good to be true. I would recommend your company unequivocally. Worker's Comp Insurance is an ever growing expense on our P & L. It's nice to get a little relief.
