Dear Martin,

The Workers Compensation manual rules can be extremely complex to understand. It was through your knowledge in these rules that we were able to receive a refund from NYSIF. Your service was instrumental in helping us reduce our experience modification factor. Your work was performed expeditiously and professionally with zero involvement on our end. Martin, I really cannot thank you enough for reaching out to me and allowing me the opportunity to recoup these last monies.

Sincerely,

William C. Gerakaris
